WEDDING DAY IDEAS

Decisions, decisions. We know it can be tricky to choose the perfect location and venue for your special day. Six Senses Ibiza has a huge variety of options depending on your guest list, menu choice, and how late you want to party. So, to make life a bit easier, we've put together a few suggestions for you.

THE ROMANTIC OPTION

Begin your day with an open-air ceremony on the romantic Rooftop Deck, move on to canapés and drinks at the uber-cool Beach Cave Restaurant, followed by a sumptuous dinner on the terrace. Finish off your party in the bar, throwing some shapes on the dance floor late into the night.

THE SOPHISTICATED OPTION

For a super sophisticated event, we suggest a ceremony at The Market Hall Rooftop, with drinks and canapés served here after the marriage. Take your party down one floor for an evening under the stars and orange trees in The Orchard. Get on the dance floor until 11:30pm or, if you want to carry on the party, head to the Xarraca Room for some late-night moves.

THE PARTY OPTION

For a full-day, exclusive event, start with an intimate ceremony on the Yoga Deck. Then we'll drive your guests over to The Beach Caves for canapés and drinks on the terrace, a sit-down meal in the restaurant and an after party in the Xarraca Room. Finish off your night speak-easy style in Bar El Secreto

THREE DAY FESTIVAL-STYLE WEDDING

How often do you get to gather all your favorite people together in one place? To make the absolute most of your time with your loved ones, and to avoid the feeling that the day went by in a flash, and you only spoke to everyone for about 30 seconds, you could choose to spread your celebration over three days.

We have myriad ways you can organize your three-day wedding but here's an idea: start with an informal dinner in The Orchard, catching up with all your guests, on the evening when everyone arrives.

The following day, hold an open-air ceremony on The Rooftop Deck, take your guests to The Beach Caves for canapés and drinks, a sit-down meal in the restaurant, and finish with music and dancing late into the night.

On day three, you reminisce and recover with brunch or lunch around the pool, and a cinema screening under the stars. For anyone who's feeling the effects of the party we have yoga, meditation, spa treatments, and even box-to-detox on offer.
