### Ceremony Venues

Nothing is more beautiful than a spectacular sunset beach ceremony. Whether you're picturing a traditional reception or a more casual event, you will enjoy personal professional service. And there are other spectacular venues within the resort if that is what you fancy!

We can also take care of the arrangements for a religious ceremony at the hotel or in a church/temple (for a supplementary fee). Additional documents will then be needed.

### The after-party

If you want the fun to continue, the drinks to flow and the party to carry on, the Morne Beach Bar makes a beautiful reception venue for a late-night soirée. We can also host you for a picnic in our gardens or a bon-voyage brunch.

## What you need to know...

Sun Resorts Management Ltd guarantees to have no more than one wedding per day at the hotel.

Upon your arrival at the hotel, explore every corner of the site to find the best place for the ceremony and take pictures, and then meet with your Celebration Specialist to check your documents and make a final selection of your flowers, cake and so on.

The marriage licence and the administration fees, civil officer transport and apostille (official government document) are not included in the wedding package fees. These will be collected from you by your tour operator/travel agent.

In the event of inclement weather, a ceremony back-up location will be suggested to you. This may entail additional charges.

A minimum service fee (as from 155 USD) will be applicable for any outsourced services organised by the guests (entertainment, photographers, floral arrangements etc...).

Any special product requests are subject to additional fees.

All information mentioned in this document is subject to change without prior notice.

### Gift Contribution:

We also offer a gift contribution facility to your relatives and friends who may want to contribute to your ceremony or honeymoon, or offer you something else special and available at the hotel. A list of services and experiences can be found on our website or our mobile app. You only have to share the link and they can settle their payments by credit card.
