What you need to know...

Sun Resorts Management Ltd guarantees to have no more than one wedding per day at the hotel.

Upon your arrival at the hotel, explore every corner of the site to find the best spot for your ceremony and take pictures, and then meet with your wedding co-ordinator to check the documentation and make a final selection of flowers, cake and so on.

The marriage licence and the administrative fees, civil officer transport and apostille (official government document) are not included in the above wedding packages. The fees will be collected by your tour operator/travel agent.

In the event of inclement weather, a ceremony back-up location will be suggested to you. This may entail additional charges.

A minimum service fee (as from 155 USD) will be applicable for any outsourced services organised by the guests (entertainment, photographers, floral arrangements etc...).

Any special product requests are subject to additional fees.

All information mentioned on this document is subject to change without prior notice.

Gift Contribution:

We also offer a gift contribution facility for your relatives and friends who may want to contribute to your ceremony or honeymoon, or offer you something else special and available at the hotel. A list of services and experiences is on our website or our mobile app. You only have to share the link and they can settle their payments by credit card.
