

Dear Valued Guests,

Our Kids Club is stocked with toys, books, games, comfortable kid-sized furniture, and two toddler pools of 30cm and 40cm depth. The Kids Club is supervised by a member of our staff who will keep our young guests occupied with games, arts and crafts, and many other activities.

In order to provide and maintain a safe environment for all our guests, we please ask you to keep the following in mind:

- Our Kids Club is open daily from 10:30 to 19:00 for kids aged from 4 to 10 years old.
- The maximum capacity of the Kids Club is 8 children at a time and prior booking cannot be accommodated. Our attendant may ask you to come back at a later time if the Kids Club has reached full capacity in order to ensure proper supervision and safety of the children.
- Children in the toddler pools must be accompanied by a parent as our toddler pools do not have a life guard on duty.
- Children who present any illness-related symptoms will be unable to enter the Kids Club due to the safety of other children.
- Any misbehavior by children towards our personnel, other children or our equipment will be reported to parents and children who do not follow our rules and regulations will have restricted access to the Kids Club.

We look forward to welcoming our little guests and making their family holiday more memorable.

The Oberoi Beach Resort, Al Zorah Team
