

## *Six Senses Ibiza*

*When you travel to Six Senses on the northern tip of Ibiza, you not only arrive at a destination, you travel to a different frequency. Escape to the crystalline Xarraca Bay, where the 116 guest accommodations, townhouses, pool suites and beachfront caves provide a meaningful setting for deep spiritual experiences rooted in the local culture, celebrating music, art, sustainable fashion and wellness that has become synonymous with the island. This part of the North is untamed and free spirited, from its bohemian heritage to its effortless celebration of life.*

*Six Senses Ibiza offer the first sustainable BREEAM certified resort in the Balearics. Located just 35 minutes from the airport, Xarraca Bay is one of the most alluring hidden secrets on the island. Every aspect of the property's physical design embraces the feeling of community and inspire the senses.*

*The immersive activities offered to guests will stimulate learning and creative experiences through a local cultural lens. A variety of inviting amenities serve to stimulate, energize, revive and reinvigorate. These are complemented with organic, seasonal and nourishing food, luxurious accommodation and intuitive attention to detail and care. It is the first full-service hospitality experience with amenities not yet offered on the island.*

## ACCOMMODATIONS

Far reaching ocean views from the open living and dining spaces, master suite and private pool lend themselves to infinite sunrise-to-sunset views and a natural breezy flow.

## DINING

Celebrity Chef and founding father of new Israeli cuisine, Eyal Shani debuts his newest outpost at Six Senses Ibiza. Best known for his fervent passion for vegetables, Eyal prepares a plethora of mouth-watering vegetables grown at our Farm in Santa Gertrudis and served at our signature Cala Xarraca restaurants. Each tells a comprehensive story through lovingly prepared dishes that are organic, seasonal, nutritious and delicious.

**HaSalon** Each item on the menu has been carefully and thoughtfully conceived by Chef Shani to take advantage of the freshest local produce, to showcase exciting gastronomical influences and to consider sustainability in its creation; from eggs laid by the hotel's own chickens to locally-caught seafood, Bizan-influenced mezze platters and grass-fed meats.

**The Farmers' Market** With a la carte dining available for early risers and night owls alike, guests can discover a selection of market stalls at their leisure, each expertly offering its own specialty. Adjacent to the Farmers' Market is our beautiful outdoor Orchard venue

**Live Cave & Bond ST. Sushi** With its enviable location, the Live Cave is the ultimate place to watch the world go by while soaking up the views over the sparkling waters of Xarraca Bay. It comes alive at night thanks to an exciting emerging music program representing cultures from around the world. This most distinctive of settings is home to New York icon BONDST restaurant, exclusively offering its diverse fresh and innovative Japanese-inspired fare.

**Pharmacy Bar** A vibrant and dynamic setting, Pharmacy Bar is open throughout the day to refresh and revive. An exciting menu of healthy herbal creations, detox juices and non-alcoholic cocktails is further elevated with a selection of tonics and tinctures.

## LEISURE ACTIVITIES

The resort's vision is to capture the authentic Ibiza experience of community, spirituality and celebration. On-site and off-site attractions are as diverse and unique as the island itself. In addition to spiritual, wellness and fitness programming there are hiking trails for exploring the native forest and observing the exuberance and beauty all around. On-site discover live music at the open air stage or join a sustainable fashion workshop at Agora, the resort's innovative retail concept store.

As a year round destination, any time is a good time to visit. April to May, the deserted beaches of the early spring give way to a warm welcome, when some say the island is at its most beautiful. Early May is the official start to the summer season where everything is open for business, yet still calm and quiet for enjoying Ibiza's best-kept secrets unhindered.

The summer months from May to October tend to see warm days and clear skies. Things start hotting up for the beaches too, and of course, the famous Ibiza nightlife. The sought-after, peaceful paradise of Ibiza's north has kept its old island magic and there are plenty of hidden beauty spots to explore and discover.

During the cool season, from October to April, Ibiza has a special energy that radiates even when the sun mellows. The light and laid-back, natural way of life during the winter season attracts artists and creatives alike. The almond tree blossom takes on an ethereal appearance of a silvery blanket below the expansive full moons of January and February.

## UNIQUE EXPERIENCES

Resort experiences include daily yoga sessions, a range of wellness programming and the art of farm fresh cooking taught by Six Senses chefs. At the Cinderella hour, The Beach Caves come alive, where kindred souls can rendezvous listening to live music as the sun goes down. Followed by a day of rejuvenation exploring the island on our one-of-a-kind excursions.

### Agora

The resort's innovative retail concept blends entertainment, education, and luxury shopping. Curated by renowned fashion editors Tiffanie Darke and Daniela Agnelli, Agora tells the story of luxury and sustainability by championing brands and products that bring about change and inspiration. Agora is brought to life via storytelling, events, and immersive visual merchandising told across a series of chapters; Reduce, Recycle, Rent and Restore.

### Live Cave

The Live Cave is the heartbeat of the resort. Hosting live shows, events, emerging artist sessions, and an expansive vinyl collection, the Live Cave and surrounding terraces feature avant-garde technology from McIntosh and Sonus faber.

### Island Excursions

Paddle around the point to the sun-bleached fishermen's huts at Cala Xuclar, shop the local Sunday craft market at bohemian San Juan, lunch at iconic island restaurant La Paloma, feel the magnetism of the mystical Es Vedra and soak up the sunset drumming at the horseshoe shaped Benirras bay.

### Grow With Six Senses
